

Ultimate Memory fx™

Item #220690

This proprietary formula was designed to support healthy brain function. Women who consume healthful diets with adequate folate throughout their childbearing years may reduce their risk of having a child with a birth defect of the brain or spinal cord. Sources of folate include fruits, vegetables, whole-grain products, fortified cereals and dietary supplements. Memory fx™ is a comprehensive formulation that includes vitamins, herbs and additional beneficial nutrients.

Memory fx™

SUPPLEMENT FACTS		Amount Per	%Daily	Amount Per	%Daily
