

Vitalé™ Ultimate Juice

"Vitalé not only promises value, it delivers it! Thanks to Brunswick Labs, the value is verifiable! Other functional juice products fail to measure up when compared to Vitalé." ~ Steve Wallach

Item #213212S  
Item #213212C

Packed with antioxidants! Antioxidants are compounds which have been shown to slow the aging process by quenching free radicals in the body. No other nutrients are added! Vitalé is purely the whole goodness of a proprietary blend of fruit and vegetable extracts. More than 14 fruit and vegetable extracts to produce a product that tastes great!\*

"The National Academy of Sciences identifies a dietary antioxidant as a substance in foods that significantly decreases free radicals (e.g. reactive oxygen), and reactive nitrogen substances (e.g. N-nitroso compounds). Vitamins C and E are antioxidants, as part of a well-balanced diet, rich in fresh fruits and vegetables, daily intake of at least 400 ug (400 mcg) of folic acid, 3 mg of vitamin B6 and 5 ug (5 mcg) of vitamin B12 may reduce the risk of vascular disease". Some scientific evidence suggests that consumption of antioxidants and vitamins may reduce the risk of certain forms of cancer. However, FDA does not endorse this claim because this evidence is limited and not conclusive.

Vitale™

SUPPLEMENT FACTS		
Serving size: 1 ounce, Bottle size: 32 oz.		
Servings Per Container: 32		
	Amount Per Serving	%Daily Value
Calories	25	
Total Carbohydrates	6 g	2%
Sugars	6 g	†
Vitamin A	46 IU	<2%
Vitamin C	66 mg	110%
